## *Hello friends!*

You're looking at the first edition of At a Glance — a brand new monthly newsletter for friends, families and supporters of the CCSC. For those of you who do not know me, my name is Jake Greer. I am a campus minister and the new director of the Church of Christ Student Center at Arkansas Tech University! My family and I are super excited to now be a part of this ministry and we can't wait to see how God works in the lives of our students and on this campus.

The Fall semester is off to a great start (see page 2) and we would love for you to join us in prayer over the remainder of the school year! Please keep my family, the CCSC staff, our students, and the ATU campus in your prayers as we try to help our students live with purpose by following Jesus while at ATU. We thank you for your prayers and support! If you'd like to help support the ministry at the CCSC please visit [ccsc-atu.org/give](http://ccsc-atu.org/give). Blessings!

# Fall Blitz

Fall Blitz was a wild, whirlwind of events during the first couple weeks of classes. These events were aimed to welcome students back to campus, engage new Freshmen, and start the semester off with high energy. Some of the events offered were a volleyball party in front of Turner Hall, a game night at the CCSC, and our yearly fish fry!

# Midweek

Midweek is our weekly, big group gathering. We meet every Wednesday at 7PM for a special time of worship and Bible study. We are currently in the middle of a study through Hebrews called GREATER, focusing on the superiority of Jesus Christ and His impact in our lives. If you're ever in town, join us for Midweek!

# Small Groups

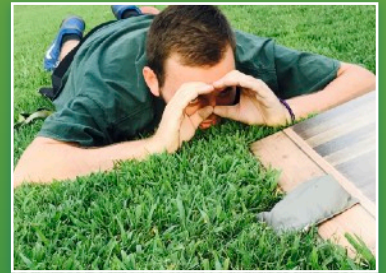

Small Groups have started and are rockin'-n-rollin'! During the first semester, our Small Groups are gender and grade specific. These groups are designed to help our students grow closer to Christ and to each other through a smaller community. This is a space for deep conversations about life and faith.

# Adopt-a-Student

Adopt-a-student is a great opportunity for families from the West Side Church of Christ to love & encourage our students. This also can give our students a better sense of belonging in the local church through simple interactions such as Sunday lunches, sending text messages, or occasionally offering homes as a quiet place to study or do laundry.

# Freshman Connect

We love our Freshmen and we love to get them connected with our returning students! One way to try to do that is through Freshman Connect events during the first 6 weeks of classes. Some of our Freshman Connect events have involved game nights, climbing at The Wall, tie-dyeing, and a *Just Dance* Party! Oh yeah!
